01. About YCMOU

'Open University' is a new concept that has been adopted across the world. Many students drop out for a variety of reasons. The establishment of open universities aims to offer higher education opportunities to individuals who lack access to educational facilities due to work or business commitments in rural areas and aspire to continue their education. England established the world's first Open University in 1969. Since then, numerous countries, such as China, Japan, Canada, Thailand, Sri Lanka, Pakistan, Bangladesh, and others, have established open universities to provide opportunities for various educational programs to society's aspirants. The first Open University in India is established in Hyderabad (Andhra Pradesh) in 1982. In 1985, the central government established Indira Gandhi National Open University (IGNOU) at the national level. Subsequently, open universities have been functioning in the states of Maharashtra, Rajasthan, Bihar, Madhya Pradesh, Gujarat, Karnataka, West Bengal, Uttar Pradesh, Tamil Nadu, Chhattisgarh, Assam, Uttarakhand, Odisha, Punjab and Kerala.

Maharashtra has a tradition of social reformers who brought social and educational changes. Mahatma Jotiba Phule, Krantijyoti Savitribai Phule, Rajarshi Shahu Maharaj, Dr. Babasaheb Ambedkar. Punjabrao Deshmukh, Karmaveer Bhaurao Patil, and Swami Ramanand Teerth have made invaluable contributions to education. The Government of Maharashtra Legislative Assembly Act No. 20/1989 established 'Open University' on 1st July 1989 with the aim of carrying forward their legacy and bringing higher education to the villages, similar to other universities in Maharashtra. The university bears the name of Yashwantrao Chavan, who is considered the father of modern Maharashtra. 'Yashwantrao Chavan Maharashtra Open University' is India's fifth and Maharashtra's first Open University. The university is headquartered in Nashik and covers the entire state of Maharashtra. The university connects more than 2400 Study Center / Learner Support Centers (LSC) across Maharashtra through its 8 regional centers.

Section 12 (b) of the University Grants Commission (UGC) Act recognizes Yashwantrao Chavan Maharashtra Open University. Accordingly, the Maharashtra State Legislature and the University Grants Commission have granted permission to the university to conduct certificate, diploma, degree, post-graduate, and research courses. Yashwantrao Chavan Maharashtra Open University is a member of many reputed national and international educational institutions. The Commonwealth of Learning has twice awarded the university with the International Quality Award for Best Institution. The university recently received an 'A' grade from NAAC.

Yashwantrao Chavan Maharashtra Open University is at par with all recognized universities in the country. The degrees from this university are equivalent to those from other universities, making them suitable for employment, promotion, and further education in all government, semi-government, and private institutions, as well as various boards recognized by the Government of Maharashtra. The Maharashtra State Public Service Commission has already declared the students of Yashwantrao Chavan Maharashtra Open University are eligible for their examinations. Until now, many students of the university have passed various competitive examinations of the Central and State Public Service Commission.

The mission of Yashwantrao Chavan Maharashtra Open University is to provide a variety of courses in sync with our developmental needs and plans for the nation and state. Open education focuses on developing curricula that provide intellectual support to society as it adapts to changing technologies and lifestyles. The university contributes to the development of a learning society by implementing the concepts of 'Education for Life', 'Education at Work,' and 'Skill-Based Education that Supports Employment'.

The Yashwantrao Chavan Maharashtra Open University's motto is 'Dnyanganga Gharo Ghari!' and it is striving to become 'Lok Vidyapeeth'. The aim of the university is to provide quality education to

all sections of society. The university is making efforts to introduce its various courses to the general public in rural, urban, and tribal areas through its headquarters, regional Centers, district Centers, study centers / LSC and workplaces. The university adheres to the educational philosophy of Yashwantrao Chavan, which advocates for the status of folklore as a knowledge language by providing education in the mother tongue.

1.1 Objectives of YCMOU

1. The mission of the University is to provide opportunities for general degree education, vocational, technical and other education-training to the working class, housewives and other adults in urban, rural and backward areas, while keeping their needs in mind, with the goal of reaching 'Dyanganga Gharo Ghari' to the lowest levels of society. The university's aim is to serve as a channel for bridging the intellectual differences among various societal strata.
2. We aim to create an open education system that is both flexible and entrepreneurial, enabling everyone to learn without any limitations on age, duration or accessibility.
3. The goal is to educate exempted persons who have not completed their traditional university education through the credit transfer system and further education at the Open University, taking into account the value of the educational part they have completed.
4. Our mission is to deliver high-quality education that fosters the development of diverse art and skills through non-formal and continuing education, as well as educational extension services. We aim to train adults in new technologies, enabling them to adapt to evolving technologies. We also develop diverse curricula that protect and promote the art traditions, cultural accumulation, and social awakening heritage of India and Maharashtra, thereby promoting national integration and individuality.
5. We aim to encourage the financial involvement of private and social organizations by focusing on achieving self-reliance in our administrative expenses instead of solely relying on government grants. Additionally, we aim to create operating systems that are both cost-effective and high-quality, utilizing modern computer equipment efficiently.

03. Learning Method / Instructional Design

The Open University has developed a separate study method for students who cannot go to college every day and do not have enough time to study. It includes the following elements: The program offers self-study-based textbooks, expert faculty guidance in communication, assessment within the study period, and the opportunity for demonstration when necessary.

In the study method, students receive not only the course details but also a set of study books. The admission fee includes selected study books that the student can retain. The soft copy of the study material is available on the university's website, www.ycmou.ac.in or https://ycmou.digitaluniversity.ac/. Students should use the self-study books, which have a unique writing style from other traditional study books. These books break down the topics into manageable chunks, enabling comprehension in a single reading. For instance, these books arrange topics using graphs, pictures, and examples. These books aim to simplify the learning process for students. Each page of the book reserves large margins on both sides. In the blank space, the student can write down the important points and note down the doubts that the learner faces. These notes aid learners in reviewing the subject matter. Additionally, the lesson includes some questions; if the student answers these after reading the relevant section, he can assess his own understanding of that section. If the student is unable to answer certain questions, he must reread the passage to get the answers. If you are still unable to find answers to certain questions, you can write them down and seek them answered by speaking with a counsellor at the Study Centre / Learner support Centre's counselling session.

Students can choose their nearest Study Centre / Learner support Centre. The Study Centre / Learner Support Centre offer counselling for each course generally during weekends. Experts in the subject will guide in counselling sessions. Such guidance is not limited to lecture method. Students should attend counselling sessions to receive answers to their queries and doubts from the counsellor, participate in discussions and symposiums on challenging topics, and learn about their progress in internal assessments.

Students should make maximum use of all the above learning facilities and prepare their own study method. Students should make sure to plan their study time accordingly. A successful course of study is not just the study of the text but a clear understanding of the subject and its use in daily life. Therefore, we expect students to study focussing on practical and practice.

3.1 Credits

In Open and Distance Learning (ODL) mode, the study hours is measured in terms of 'Credits'. All the courses offered by YCMOU carry a certain value in terms of credit-points. A credit point is a way of expressing the learning hours required to study certain unit, in a book or a course. Typically, one credit point is considered equivalent to about 30-35 learning hours. These learning hours could mean the time spent in reading, note taking, listening to lectures, mulling over various aspects of the course, participating in discussions on the topic, listening to audios, podcasts, viewing especially prepared videos, surfing relevant web content etc. The Master of Arts (M. A.) in Political Science (M88) requires that you 'collect' a credit of 64 credit points in order to be considered eligible for the degree.

Subject : Recognition of Degrees awarded by Open Universities.

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. **The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.**

A circular was earlier issued vide UGC letter N.F.1-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No.F1-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide No.1-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site : www.ugc.ac.in

May, I therefore request you to treat the Degrees / Diploma / Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

शासन निर्णय :

यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ, नाशिक येथून प्राप्त केलेली शैक्षणिक अर्हता शासकीय सेवेतील नियुक्तीसाठी ग्राह्य धरण्याबाबत सर्वसाधारण सूचना निर्गमित करण्याचे निदेश मा. महाराष्ट्र प्रशासकीय न्यायाधीकरण, मुंबई यांनी श्री. राजेंद्र घुणकीकर विरुद्ध महाराष्ट्र शासन (मूळअर्ज क्र. ६७०/२००८) वर दिले आहेत. त्यावर, शासनाने घेतलेल्या निर्णयानुसार यासंदर्भात खालीलप्रमाणे सूचना देण्यात येत आहेत.

१. ''ज्या पदांच्या सेवाप्रवेश नियमात १० वी/१२ वी (माध्यमिक/उच्च माध्यमिक) परीक्षा उत्तीर्ण असणे अशी किमान अर्हता विहित केलेली असेलत्या बाबतीत, महाराष्ट्र राज्य शिक्षण मंडळाची माध्यमिक व उच्च माध्यमिक शालांत परीक्षा उत्तीर्ण नसलेला मात्र, यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठाची पूर्व परीक्षा उत्तीर्ण होऊन पदवी परीक्षेचे प्रथम वर्ष उत्तीर्ण झालेला वा यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठातून पदवी धारण केलेला उमेदवार पात्र समजण्यात यावा.''

२. बृहन्मुंबईतील लिपिक-टंकलेखक पदावरील नियुक्तीसाठी विहित करण्यात आलेल्या सेवाप्रवेश नियमातील २ (इ) मध्ये ''महाराष्ट्र माध्यमिक व उच्च माध्यमिक मंडळाने नियंत्रित केलेली माध्यमिक शालांत प्रमाणपत्र परीक्षा आणि या परीक्षेस समकक्ष घोषित केलेल्या इतर परीक्षा अंतर्भूत असल्याचे नमूद केले आहे.'' तसेच, उमेदवारांकडे महाराष्ट्र राज्यातील अधिवास प्रमाणपत्र असणेही आवश्यक आहे.राष्ट्रीय मुक्त विद्यालय शिक्षण संस्थान, नवी दिल्ली या विद्यालयाची माध्यमिक शालांत परीक्षा उत्तीर्ण केलेल्या एका उमेदवाराने महाराष्ट्र प्रशासकीय न्यायाधिकारणाकडे दाखल केलेल्या प्रकरणात (मूळ अर्जक्रमांक २०४/२०१०) राज्य शासनाने लवकरात लवकर निर्णय घ्यावा, असे आदेश दिले आहेत. केंद्रशासनाने कायद्यान्वये स्थापन केलेल्या राष्ट्रीय मुक्त विद्यालय शिक्षण संस्था, नवी दिल्ली (National Institution ofOpen Schooling,New Delhi) या विद्यालयाची माध्यमिक शालांत परीक्षा (किमान ५ विषयांसह) उत्तीर्ण केलेल्या उमेदवारांना शालेय शिक्षण विभागाने अकरावी प्रवेशासाठी पात्र ठरविले आहे. मात्र, शासन सेवेतील नियुक्तीसंदर्भात समकक्षतेबाबत कोणतेही आदेश नाहीत. केंद्रिय मनुष्यबळ विकासमंत्रालयाने सर्व राज्यांना, राष्ट्रीय मुक्त विद्यालय शिक्षण संस्था, नवी दिल्ली (National Institution of Open Schooling,New Delhi)यांच्याकडून दिली जाणारी प्रमाणपत्रे उच्च शिक्षण व नोकरीसाठी (Employment) ग्राह्य (समकक्ष) धरण्याबाबत कळविले आहे. ही बाब विचारात घेऊन, राष्ट्रीय मुक्त विद्यालय शिक्षण संस्था, नवी दिल्ली यांच्यामार्फत माध्यमिक शालांत परीक्षेबाबत दिलेले प्रमाणपत्र, माध्यमिक शालांत परीक्षा अशी अर्हता असलेल्या पदांवर नियुक्तीसाठी ग्राह्य धरण्याची बाब देखील शासनाच्या विचाराधीन होती. त्यावर, शासनाने घेतलेल्या निर्णयानुसार यासंदर्भात खालीलप्रमाणे सूचना देण्यात येत आहेत. ''राष्ट्रीय मुक्त विद्यालय संस्था, नवी दिल्ली यांची (मराठी व इंग्रजीसह किमान ५ विषयांसह) शालांत परीक्षा उत्तीर्ण झालेल्या व सदर प्रमाणपत्र (Secondary School Examination Certificate) धारण करणाऱ्या उमेदवारांनी, राज्य शासन सेवेमध्ये ज्या ज्या ठिकाणी माध्यमिक शालांत प्रमाणपत्र परीक्षा उत्तीर्ण अशी अर्हता विहित केली असेल त्या त्या ठिकाणी शासन सेवेसाठी शालांत परीक्षा समकक्ष पात्रता आपोआप धारण केली आहे असे समजण्यात यावे.''

३. त्यानुसार, सर्व नियुक्ती प्राधिकारी यांनी कार्यवाही करावी. हे आदेश या आदेशाच्या दिनांकापासून तात्काळ अंमलात येतील.
